SUPPLEMENTAL AMENDMENT

In response to the Office Action mailed November 12, 2003, Applicants answered on December 5, 2003, by providing a replacement Sequence Listing in hardcopy and computer readable form, along with the signed Statement regarding the sequence submission.

Additionally, Applicants attempted to make some revisions to the specification and claims, as the Examiner pointed out some inconsistencies between the sequences as numbered in the previous sequence listing, and as numbered in the specification. Apparently, Applicants failed to file these amendments in the proper format. Therefore, Amendments are made below to correct these inconsistencies, and in the proper format.
